Media Consent Form

We appreciate the opportunity to use photographs/videos of our students for marketing material, or to post on our Facebook/Instagram page- to show other parents how much fun our students have while working with us!

Parent and/or student hereby consent to and authorize Oakland Speech and Language to capture and use photographic images of student and student's work, without any compensation to parent or student. Oakland Speech and Language will not personally identify a child by name when using any photographs.

Please initial and date here to verify permission to use media photographs: _____

Please initial and date here to opt out of any media photographs: _____
